NowPak containers are optimal for takeout, curbside pick-up, or delivery for all of your hot and cold foods. With so many options that are environmentally friendly, recyclable, compostable, and microwavable, NowPak has the perfect high-quality, low-cost packaging solution for your operation.

deli now®

DeliNow reusable containers are designed to hold everything from hot soup to rice and beans to nuts. They are virtually leak-proof and withstand high heat from microwaving, and they stack great while the clear design allows for easy product identification.

micro now®

MicroNow containers are offered in a variety of shapes with black bases and translucent lids. Their 2-piece, heavy-gauge construction makes these a great option for prepared foods or food to-go. They are reusable, microwavable, and dishwasher safe.

nature now®

Eco-friendly, heavy-duty, and compostable, the NatureNow product line is made from bagasse sugarcane, using only sustainable raw materials. Microwave safe and cut resistant.

take-out now®

Eco-friendly and patented, Take-OutNow, hinged to-go containers are made from polypropylene and a natural mineral powder that reduces the amount of plastic used in the finished product. Durable, with a full rim seal, these containers are microwave safe and able to withstand high heat.

NowPak provides diverse packaging solutions, from eco-friendly food service containers like their Take-Out Now and NatureNow lines, to highly specialized, high-purity liner-based systems for industrial and pharmaceutical use under the NowPak brand, ensuring both convenience and critical material integrity.

THE SIMPLE STRAW

REINVENTED

Avolutions Biodegradable Agave Products are a great replacement for single use plastics and harmful paper straws. We are proud to turn what was once agro-waste left over from tequila production and repurpose it into high-performing straws and cutlery that provide your customers with the experience they are accustomed to. Our product can be used in both hot and cold applications and will not crack or wilt.

**100% RECYCLABLE - BIODEGRADABLE - HOME & INDUSTRIAL COMPOSTABLE - MARINE SAFE
DOES NOT CONTAIN ANY HARMFUL 'FOREVER' CHEMICALS, ADDITIVES OR DYES**
