BRING PEACE OF MIND

To those entering your operation who are worried about the exchange of germs and viruses during transactions.

- Stay ahead of the competition by being ahead of the curve in safety and sanitation.
- Increase foot traffic by offering customers a safe environment to bring their business to.

#22716 SANISWIPER™ **WITH STAND AND 16 OZ. BOTTLE OF DISINFECTANT** 1/KIT

Credit card, key card, and ID readers house harmful viruses after a contaminated card has been inserted. Cashiers handle countless cards each day, putting themselves and customers at risk for contracting disease. Keep your workforce and customers safe by simply sliding customer cards through the SaniSwiper™ device, and pull it out clean from beneath!

#22718 SANISWIPER™ **DISINFECTANT SOLUTION** 4/16 OZ.

SANISWIPER™ custom blend proprietary solution contains isopropyl alcohol for its disinfectant properties, hydrogen peroxide to serve as an antibacterial, and lemon oils for a fresh citrus scent.

#28763 SERTUN™ **TOWEL SANITIZER RECHARGED INDICATOR 13.5"X18"** 1/50 CT.

SERTUN™ rechargeable sanitizer indicator towels effectively sanitize any surface. Using Color-Check Technology™, towels change from yellow to blue when proper Quat levels are present in sanitizing bucket. As towels use Quat, the color changes from blue to yellow indicating there is not sufficient sanitizer in the towel. Recharge towels by placing back in sanitizer solution. Works with quaternary ammonia (Quat) only. Ideal for food service applications and any area where sanitation is key.
