WORLD[®] CENTRIC

FOR A BETTER WORLD

These World Centric[®] compostable utensils are made from tPLA, a resin made from 70% non-GMO corn and 30% Talc. tPLA resin is certified for compostability.

- Suitable for food and liquids up to 200 degrees Fahrenheit
- Dishwasher safe and reusable
- Certified compostable by BPI (Biodegradable Products Institute)
- 100% compostable 3-6 months in a commercial composting facility
- Just as strong as traditional plastics
- PLA is a non-toxic bioplastic
- Conforms to ASTM D-6400 Standard

CHEESECAKE FACTORY[®] #41163

CHEESECAKE BANANA FOSTER 10" 14 SLICE IQF
2/80 OZ.

Creamy banana cheesecake swirled with buttery caramel, topped with white chocolate mousse and a caramel drizzle on a crunchy vanilla crumb crust. Each cake comes pre-sliced into 14 individual pieces.

STELLA[®] #41159

DESSERT COOKIE PIZZA CHOCOLATE CHUNK IQF
CHEWY GOOEY 8" TIN - 12/9 OZ.

The perfect after-pizza indulgence for the whole table. Fully cooked and individually quick frozen, just grab one out of the freezer and pop into the oven. This quick and easy dessert is destined to become your customers' favorite!
