### #42504 ALTA DENA® VANILLA ICE CREAM MIX 5% 6/64 OZ.

This ready-to-use, refrigerated soft serve mix provides consistent flavor batch to batch since there is no preparation needed - just shake the gallon and pour it directly into your soft serve machine. Ideal for high-volume establishments, this pre-prepared mix allows you to quickly refill your soft serve machine without the additional employees or extra time that is needed to prepare powdered soft serve mix.
