# ABBOT'S™

Abbot's® Plant-Based Burger Patty offers a savory, satisfying alternative to traditional meat burgers. Crafted with simple, clean ingredients, it contains no gluten or soy, making it ideal for those with dietary restrictions. The patty delivers a delicious umami flavor with rich caramelized onions, mushrooms, and paprika, providing a bold and smoky taste in every bite. Certified Vegan and Non-GMO Project Verified, Abbot's burger patty brings a satisfying plant-based experience without any gluten, soy, or artificial additives. Whether you're enjoying it on a bun or alongside your favorite toppings, you can feel good about every bite.

**Vegan Burger IQF**

#34774 24/4 OZ

## BEYOND MEAT®

Beyond Meat® makes plant-based eating easy, delicious, and better for the planet. Using simple, non-GMO ingredients like peas, beans, potatoes, and brown rice, their products deliver the flavors and textures of meat, with none of the downsides. Certified vegan, Beyond Meat is the perfect swap for traditional meat—helping you feel good about your choices for the planet, health, and animals. Whether you're grilling, cooking, or craving comfort food, Beyond Meat has you covered.

## MEAT ALTERNATIVES

Cacique® Soy Chorizo brings the rich, robust flavors of traditional Mexican chorizo in a heart-healthy, plant-based option. Made with authentic seasonings and a smoky, slightly sweet flavor, it delivers the same savory taste and meaty texture you love, with less fat and no cholesterol. Perfect for tacos, breakfast scrambles, or your favorite family recipes, it's a flavorful way to enjoy tradition while making a better choice.

**Vegetarian Soy Chorizo Fresh** #18926 12/9 OZ

Gardein® offers delicious plant-based takes on classic favorites, made for those who crave bold flavor and a satisfying bite without the meat. Crafted with quality, non-GMO ingredients, Gardein's plant-based patties and crispy, breaded chick'n alternatives bring the taste and texture you love in a meatless, vegan-friendly way. Whether grilled, baked, or pan-fried, they're a tasty, protein-packed choice for any meal.

**Vegan Patty Black Bean GF IQF** #34780 48/3.4 OZ

**Vegan Chicken Filet Breaded IQF** #34787 32/4.9 OZ

**Vegan Chicken Nugget IQF** #34876 1/10 LB

# Gardenburger

Gardenburger® offers a variety of delicious plant-based patties, including vegetarian and vegan options, made with wholesome ingredients like brown rice, mushrooms, and black beans. These meat-free patties provide a flavorful, satisfying bite and can be easily prepared for any meal. Whether served on a bun, in a bowl, or as part of a creative dish, Gardenburger patties deliver a tasty, plant-forward experience.

**Patty Veggie Original IQF** #34761 48/3.4 OZ

**Patty Veggie Vegan IQF** #34765 48/3.4 OZ

**Patty Malibu Vegan Organic IQF** #34773 48/3.2 OZ

**Patty Vegan Black Bean IQF** #34775 48/3.4 OZ

Hungry Planet® delivers mouthwatering, plant-based options that bring all the satisfying flavors and textures you love from traditional meat, with a sustainable twist. Crafted with premium, non-GMO ingredients, their vegan patties and ground products offer a delicious, healthier alternative without compromising on taste. Whether you're grilling a juicy patty or cooking up a flavorful ground mix, Hungry Planet makes plant-based meals easy, tasty, and better for the planet.

**Chicken Ground Bulk** #34860 4/5 LB

**Vegan Classic Patty IQF** #34827 42/4 OZ

**Vegan Premium Patty IQF** #34819 30/5.3 OZ

## MEAT ALTERNATIVES

# IMPOSSIBLE

Impossible® offers delicious, vegan plant-based alternatives to traditional beef. Made with simple ingredients, their patties and ground options provide the same great taste and texture you love, all while being better for the planet. Impossible® products are non-GMO and contain no cholesterol, making them a healthier alternative to beef. Perfect for those seeking a plant-based alternative, they're versatile enough to be used in everything from burgers to tacos.
