VOLLRATH®

#87116 - 1/EACH HALF-SIZE LONG FOOD PAN WARMER 120V 500W

This countertop warmer packs all of the convenience and versatility into half the size. Its stainless steel well keeps foods at optimal temperature for freshness and safety, no matter what size pans you use - half-size, fourth-size or sixth-size pans up to 6 inches deep. Thanks to 10 user-adjustable thermostatic settings, ranging from approximately 104°F to 212°F, you can depend on temperature consistency and power efficiency.

#87008 - 1/EACH COUNTERTOP INDUCTION RANGE 120 VOLT

Take your cooking away from the stovetop with this portable induction range. Weighing only 10 pounds the unit is perfect for light-duty cooking in the kitchen or on the go. It's a great addition to buffet lines, catered events, and cooking demonstrations. Induction cooking eliminates the need for an open flame or burner, creating a safer cooking experience no matter where you are!

#87113 - 1/EACH 4 QT ROUND INDUCTION WARMER

With a countertop design that's ready to use anywhere, this 4-quart induction warmer takes prepared food from chilled to hot, then holds it at the perfect serving temperature. Induction technology uses efficient electromagnetic energy to heat without the need for water, quickly bringing food through the HACCP "danger zone" to safe serving temperatures, maximizing quality and minimizing waste. With eight presets to simplify use, this new 4-quart size is perfect for sauces, soups and other foods in smaller quantities.
